

Central Elementary in Moore, OK was so excited to have Stephen Koza visit our 4<sup>th</sup> and 5<sup>th</sup> graders on March 29, 2019. We had heard a lot of good things about him from other Moore Schools.

Stephen was an excellent choice for an author visit. He inspired our students to use their creativity to write and illustrate. He held their attention the whole time presenting a lesson on the writing process. A university student was also invited to illustrate the students' ideas. He gave our students an opportunity to write "flash fiction" stories. From those stories, two of our students were chosen to write and complete their own books by next school year!

We highly recommend other schools invite Stephen Koza to visit their schools in the future.
