

Fall 2018

It is our pleasure to endorse author Stephen Kozan and illustrator Tony Maulfair.

Our visit with Mr. Kozan and Mr. Maulfair was terrific. They met with Fountain Hill Elementary fourth and fifth graders on Monday, December 10, 2018. Mr. Kozan and Mr. Maulfair were extremely friendly and organized. Their production was visually appealing, and our students connected with both presenters immediately.

Our students were truly engaged and intrigued by the information Mr. Kozan shared in his presentation. They absolutely loved InstaArt - every hand in the audience went up when asked for a new idea for Mr. Maulfair's live illustration. Our kids also enjoyed the Flash Fiction portion of the visit. The thrill among the crowd could be felt as our students started brainstorming ideas that had the potential to become a published manuscript!

Mr. Kozan's lesson about perseverance was an inspiring one for our students. He encouraged them to put their best work forward and never give up on their dreams, the way he never gave up on becoming a published author.

It is evident to anyone who works with Mr. Kozan that he is willing to go the extra mile, especially on behalf of students. His passions for writing, publishing and motivating others are impressive and genuine. We would be happy to recommend Mr. Kozan to those looking for a comprehensive and exceptional author experience.

Sincerely,
Paige Hoffman
Community School Director
