Dear Mr. Frank Kaminski / Faulkner Toyota Harrisburg,

We truly appreciate Mr. Stephen Kozan from *Student Author Movement* joining our 4th graders and staff for the author visit. The experiences he shared were very inspirational for the students and fostered the development of creativity in the area of writing. I observed firsthand the excitement within the students' demeanor as well as a high level of engagement within the interactive presentation. This is Mr. Kozan's second visit back to Rutherford and looking forward to our on-going partnership. Thank you Mr. Kaminski and Faulkner Toyota of Harrisburg for sponsoring his visit with your generous grant.
